Dear Sir/ Madam,

**SUBJECT: REQUEST FOR ATTACHMENT FROM JUNE 2026 TO SEPTEMBER 2026**

The following student from the Department of Electronic and Computer Engineering, JKUAT, is interested in pursuing an industrial attachment at your firm. I kindly request that you facilitate his/her securing the attachment during the above-specified period.

Name.....Reg. No.....

The university places great importance on practical training, as it significantly contributes to the awarding of degrees to our students. During the attachment period, the student is expected to adhere to your organization's rules and regulations. Additionally, a lecturer from the university will visit your organization at least once to monitor the student's progress.

JKUAT has a "Public Liability Policy" which covers all students on industrial attachment. The coverage includes accidental property damage, bodily harm, and death.

Thank you in advance for your invaluable assistance.

Yours faithfully,

**Eng. Ephraim W. Mureu**  
**Department Industrial Attachment Coordinator**  
**For: C.O.D; Electronic & Computer Engineering Department**
